

## Engineering Change Notice

Notice No: 24-1601

Effective Date: 17 April 2024

Effected Part No: VW0525AB001D

Old Rev: A/2

New Rev: A/3

Description of Change:

Revised case design and internal construction. Published mechanical and electrical specifications are NOT effected. Small changes in appearance which does not effect performance.

Reason for Change: Reduce production cost, and end user pricing

A handwritten signature in black ink, appearing to read "Charles Tepper".

Charles Tepper

VP Sales Engineering
